## **AUDITORS' REPORT**

To,  
**The Members,**  
**BIHAR RAJYA BEEJ NIGAM LIMITED.,**  
**Patna.**

1. We have audited the attached Balance Sheet of **Bihar Rajya Beej Nigam Limited.,** ("the Corporation") as at 31<sup>st</sup> March, 2006 and the statement of Profit & Loss Account for the year ended on that date and summary of significant accounting policies annexed thereto. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with Standards on Auditing generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant accounting estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) order, 2003 issued by the Central Government in terms of Section 227 (4A) of the Companies Act, 1956 and on the basis of such checks of books and records as we considered appropriate and the information and explanations given to us during the course of our audit, we annex hereto (Annexure – 'A') the statement on the matters specified in paragraph 4 and 5 of the said order.
4. Our observations and comments on the accounts of the Corporation are given in Annexure – 'B' which is attached as a part of this report.
5. In addition to our observations and comments in Annexure – 'A' and 'B' referred to above, we state that:
  - a. We have not been provided the information and explanations, which were necessary for the purpose of our audit.
  - b. In the absent of proper books of accounts, as required to be kept by law by the Corporation, we are unable to comment on the same. The accounts of the Corporation have been maintained on mercantile system. The Loss of ₹ 3,48,08,071.00 as stated in Profit & Loss Account for the year and accumulated loss at the end of the year ₹ 85,87,98,632.00 would have been higher/lower so also the Assets and Liabilities would have higher/lower by the corresponding amount. In absence of proper and absolute information we are unable to quantify the incidence thereof on Loss and Assets and Liabilities as in various cases the impact is unascertainable.
  - c. In absence of the books of accounts, we are unable to comment whether the Balance Sheet and the Statement of Profit & Loss Account dealt with by this Report are in agreement with the entries in the books of accounts.

- e. In our opinion, the Balance Sheet and Profit & Loss Account do not comply with all the Accounting Standards referred to in Sub-section 3(c) of Section 211 of the Companies Act, 1956. A sum of Rs. 31,14,000.00 has been shown as Capital Subsidy received from Govt. of Bihar for setting up seed Processing Plant in Tribal area. The treatment of Govt. grant in the Balance sheet is contrary to the treatment suggested under AS-12, "Accountants for Government Grants" issued by the Institute of Chartered Accountants of India. In absence of proper details regarding assets against which subsidy has been received the depreciation charged by the Corporation on the value of subsidy could not be ascertained. Consequently, loss has been overstated by an amount which can be quantified.

Moreover, expenses incurred are in excess of the sanctioned amount for which approval of the Board of Directors of the Corporation is yet to be obtained. No compliance as yet has been shown to us.
- 5.3. In absence of any documentary evidence the actual amount of addition in work in progress and building under construction could not be verified.
- 5.4. Amount of Capital-Work-in-Progress is Rs. 2,97,69,275.21 in Schedule "F" to the accounts where is Rs. 2,97,69,275/- on the face of the Balance Sheet.

- 6.1. As mentioned in notes 14.2, 14.3, 15.1, 15.2 and 15.3 of Schedule 'V' to the accounts, stock of seeds, packing/certification materials and other items have not been taken on the basis of stock records after adjustment of shortage/excess found on physical verification. No due consideration has been given for deterioration in the quality of old stocks resulting into over valuation of stock. Moreover, for valuation of stock of seeds cost plus rates have been applied as mentioned in Note 14.4 of schedule 'V' to the accounts even in cases where rates differ from one variety to other as variety-wise break-up of stock was not available.
- 6.2. Depreciated value of loose tools has not been shown in the account resulting in over statement of its value
- 6.3. Inventory includes stock of spares for Rs. 1,45,964.63 carried forwarded since long Based on actual position consumption is required to be booked and actual stock, if any should only be shown as stock.
- 6.4. As mentioned in Note 14.4 of Schedule 'V' to the accounts, the valuation of seeds is not at lower of cost or net realization value. Further, the valuation system adopted by the Corporation has not been strictly followed.
- 6.5. In view of above, the stock in trade shown does not state correctly neither the quantity of stock held by the Corporation nor valuation of stock. The closing stock is overstated and extent of which could not be quantified.
- 6.6. In our opinion, the internal control procedure of the Corporation relating to purchase, sales and inter-unit transfers of stock are not commensurate with the nature and size of the business of the Corporation resulting changes of transaction and stocks in transit or stock lying in passion with others remain to be recorded in

the books and reflected in the final account. No internal control was found for realization of value of goods sold or to be debit the account of particular person from whom amount is recoverable resulting substantial amount lying under the heads of sales center/sales in charge etc. and even in case of supplies to Government Departments no receipted challans were found in records as mentioned in most of internal audit reports of various offices of the Corporation. Internal control procedure for purchase of packing materials, chemicals, Plant & Equipment and other assets are also not commensurate with the size and nature of business of the Corporation.

6.7. In the absence of Stock Statement register and any records, verification of balances could not be done and all the above observations have been provided as per Internal Auditor's report provided to us on the basis of our examination of the financial statements.

**7. Sundry Debtors: ₹ 7,52,00,590.00 (Previous year ₹ 7,45,70,343.00)**

- 7.1. In absence of evidence in shape of receipted Challan or similar document as regard goods supplied to the various parties, credit sales booked with corresponding debits in the name of such parties could not be verified.
- 7.2. It includes substantial amount receivable from Govt. Of Bihar on account of subsidy. In absence of the details of claims submitted in respect to subsidy and any communication regarding approval of the competent authority, we are unable to comment upon the recoverability or otherwise of the amount. Amount received from Director of Agriculture; Govt of Bihar has been adjusted against such dues. Communications with such remittance have not been shown to us to verify such adjustments.
- 7.3. It also includes substantial amount receivable from "BISCOMAUN" who have disputed the dues on various grounds including non-receipt of substantial quantities of seeds shown as supplied by the Corporation. Pending settlement of the matter, the management, however, has considered the entire debts as good and recoverable which in our opinion does not appear appropriate.
- 7.4. It also includes substantial amounts being net balance of amounts sold by various sales centers and remittance there against pending preparation of party-wise list. As it also includes amount related to cash sales such balances are receivable from respective sales centers/recoverable from sales in charge. As no sales centre/in chare-wise list at any stage is available, there is possibility that the Corporation may not be in position to recover substantial amount.
- 7.5. Credit Sales are subject to approval of competent authority.
- 7.6. As stated in Note no.6.4 of schedule 'V' to the accounts sundry debtors includes Rs. 120.84 Lacs receivable from service agents of the Corporation and is outstanding since long and it appears doubtful of recovery. No adequate provision has been made against the same.
- 7.7. Net Credit balance under the head of Debtors Government has been shown as advance against sales.

- 7.8. Net debit balance of Rs. 2,44,98,068.50 of Growers Account has been shown as Sundry Debtors. In absence of party-wise details it was not possible to ascertain the amount of total debts and the amount of liabilities as at 31st March, 2006, therefore liability and advances both are understated.
- 7.9. In view of the facts mentioned above as neither provision has been made nor there are sufficient records to quantify the provision amounts the sundry debtors' figures is heavily overstated in terms of realization to the extent not quantifiable.
- 7.10. In absence of party-wise details, we are unable to verify the age-wise classification of debts.
- 7.11. All accounts and Balances are subject to reconciliation and confirmation. In the absence of any details and explanations, any of the amounts could not be verified.
- 7.12. Credit Balance of Rs. 4,81,92,352.80 is lying under the head of "Liability for Purchase" since long which has been shown as sundry Creditors pending adjustment. In case such balance is related to purchase of seeds, the debit balance of Growers accounts is overstated resulting overstatement of Sundry Debtors with corresponding overstatement of Sundry Creditors.
